

## DRUGGISTS ELECT SOUTHERN MAN

National Association Names Martin, of Nashville, President; Meet Next in Dallas.

### GOOD TRADE DURING YEAR

Evils of Cocaine Emphasized, Demand Being Made for More Stringent Law.

Though according to the by-laws of the association, two hours must elapse between the time of receiving the report of the nominating committee and the election by the general body, under a suspension of the rules, the National Wholesale Druggists' Association yesterday elected the following officers for the ensuing year:

President, Charles S. Martin, Nashville, Tenn.; First Vice-President, G. O. Simon, Sr., Richmond; Second Vice-President, A. W. Chaffin, Providence, R. I.; Third Vice-President, W. C. Brown, Columbus, O.; Fourth Vice-President, David M. Cowan, Buffalo, N. Y.; Fifth Vice-President, B. C. Hartz, Rock Island, Ill.; Secretary, Joseph E. Jones, New York; Treasurer, Samuel E. Strong, Cleveland, O.

Board of Control: Albert Plant, New York; Charles Gibson, Albany, N. Y.; William B. Strong, Milwaukee, Wis.; E. Redwell, Omaha, Neb.; A. J. Geer, Charleston, S. C.

Chairman of the proprietary committee, Dr. William Jay Schieffelin, New York.

General representative, F. E. Holliv, New York.

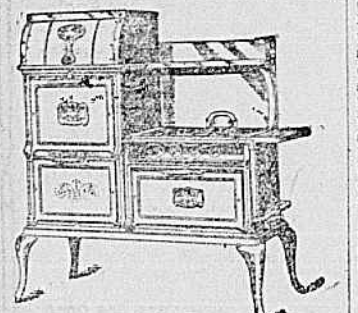

There being no other nominations the meeting decided to make this election unanimous, and the secretary was instructed to cast the vote of the association for the recommendations of the committee.

The committee on time and place of the next meeting reported that it had unanimously decided upon Dallas, Texas, as the convention city for 1910. The recommendations of the committee will probably be accepted unanimously and Dallas will be selected officially over Rochester, N. Y.; St. Louis, Mo.; Seattle City, Cedar Point, O., and New York.

### GOOD ROADS ABOUT NEW YORK FOR AUTOMOBILE TOURING

The Hotel St. Regis a Perfect Home for Automobileists, Visiting New York City.

There are 70,000 automobiles registered at the State Capitol at Albany, with more than two-thirds of this number in New York City and vicinity, proving that the roads about the metropolis are perfectly suited to the enjoyment of this kind of sports. Where can be found better roads than those of Long Island? Or more attractive scenery than the Hudson River Valley, the Delaware Water Gap, the Berkshires, the Adirondacks, or the White Mountains? All of these are readily reached by automobile from New York City in short and delightful trips over perfect roads. The visiting automobilist who comes to New York to enjoy these delightful daily excursions can do no better than make his headquarters at the St. Regis, at Fifth Avenue and Fifty-fifth Street, a hotel that has won for itself the reputation of America's finest in every respect. It is the highest class in every feature, with a restaurant equal to the very best in Europe. Its restaurant charges are the same as other first-class hotels, and rooms may be had as low as \$3 and \$4 a day for a large, handsomely furnished single bedroom; the same with private bath for \$5 a day (or \$6 for two people); or \$12 a day and up for an elegant suite consisting of parlor, bedroom and private bath.

### Nelson's Shoes

They now for the first time realize that they can buy a single pair of shoes as cheap as the wholesale man can buy a car load. A visit to the Nelson Shoe Company's store, at No. 417 East Broad Street, is all that is necessary to convince the most skeptical.

## The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

**Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY** makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Nagara Falls, which have bid for the honor. A telegram was read from the Mayor of Rochester inviting the convention soon after the committee reported in favor of Dallas.

Because a large number of the delegates attended the Police Court and others who went for automobile rides yesterday's meeting was not called to order by President Carter until almost 11 o'clock. Then the number in attendance was not nearly so large as on Tuesday. Besides the election of officers, the session was taken up with reading reports and resolutions which proved among the most important and interesting of the day. There was no afternoon session.

Of the afternoon business, the first to come before the association was the report of the committee on relations to local associations, city and State, presented by Chairman R. H. Bradley. He dwelt upon the good to be accomplished by such organizations, both for the promotion of credit and for the discussion of questions to the interest of the trade.

It was referred to the board of control.

**System of Reporting.** Chairman W. C. Schuster, of the committee on credits and claims, called attention to the importance of ascertaining the value of insurance policies before extending credit. He discussed the functions of the credit department, and said that it should not and would not be a business killer if properly handled. Stating also that the results of co-operation were more profitable than independent competition. The report advocated an interchangeable system of reporting. It indicated a decrease in failures both in the drug trade and the paint and oil trade as against last year.

The report of the proprietary committee, read by Dr. Schieffelin, proved one of the most interesting of the meeting. He was optimistic, stating that indications were that this year would be the most successful since the panic. The committee was in favor of prosecuting persons for adulteration and misbranding, and sought for uniformity between State and Federal pure food laws. It favored also stringent and well enforced laws against cocaine and other harmful drugs and a law to force retailers of proprietary medicines to conform to contract prices.

**Evils of Cocaine.** M. N. Kiehl, in presenting the report of the legislative committee, noted a number of laws favorable to the druggists which had been adopted in the past year and referred to the drawback in internal revenue tax on alcohol for medicinal uses and the manufacture of perfumery, mentioned in the president's report Tuesday. Like many of the others, this report dealt with the cocaine and opium evils, noting that there were already restrictive laws against them in thirty-nine States and that the traffic was being largely cut down. Still stricter legislation against these drugs in all sections was advocated. The legislative committee in many States were discussed. Greetings were received from the American Pharmaceutical Society at Washington through the president. Dr. H. W. Wiley, who was scheduled to speak here, but who could not be present. A communication from the Herkimer County Club was read, extending the privileges of the house and grounds to members of the convention.

### DRUGGISTS AT BANQUET

Gov. Swanson and Judge Garnett Spoke at Annual Celebration.

The social event of the convention was the banquet held in the auditorium of the Jefferson Hotel last night, with Dr. William Jay Schieffelin acting as toastmaster. The room was filled with men and women and profusely decorated with flowers of all kinds. The speakers were seated on the rostrum behind a huge bank of flowers, the wall behind them being draped with a large Virginia flag and two national banners. In order to accommodate all the crowd, tables with chairs for eight each were placed as thickly as possible over the entire space of the hall.

The invocation was made by Rev. Russell Cecil, D. D., and an opening toast was made by President Fred L. Carter. Governor Swanson, in responding to the toast, "Our Country," created the greatest amount of applause of the evening with a ringing and eloquent speech on the achievements of the American people. As he took his seat the band played "America," while the entire audience stood and sang. It fell to the lot of Frank A. Paxton, of Kansas City, to take the place of Senator John W. Daniel, who was to speak on "Old Virginia," and Dr. Stuart McGuire, who was to make an address on "Sundries," neither of whom were able to be present. Mr. Paxton frankly confessed that he was not capable of responding to the first, and for the latter made a happy speech, very aptly bringing in references to many of the best known and most advertised medicines.

Judge Theodore S. Garnett, of Norfolk, responded to the toast, "The Ladies." Mayor Richardson and a number of other prominent men were on the rostrum.

Moore, an aged and prosperous farmer of Melrose, was found in a room paralyzed. His entire left side is affected, and he is speechless. Mr. Moore is sixty-nine years of age.

**University German Club.**

[Special to The Times-Dispatch.] CHARLOTTESVILLE, Va., October 12.—The University of Virginia German Club has elected officers for the ensuing year as follows: Earl N. Floyd, of Meridian, Miss., president; H. D. Bowen, of Bramwell, W. Va., vice president; J. Franklin Pinner, of Suffolk, Va., secretary and treasurer.

[Special to The Times-Dispatch.] TANGIER, Va., October 12.—After having been married for a month, Mrs. Annie Somers, aged seventy-two, and Lybrand Thomas, aged twenty-four, both of this place, have announced to their friends the wedding. They left after the announcement on a honeymoon trip to Baltimore.

**Broken Rail Causes Wreck.**

GREENVILLE, S. C., October 12.—HARRY ALBORD, a humpman, and one passenger were badly injured and a score of other passengers bruised and badly shaken up to-day when Southern Railway passenger train No. 42 was wrecked at South Easley, near this city.
